Washington D.C.-Based Service-Disabled Veteran-Owned Small Business Passes Thorough Review to Streamline the Accessibility of Expertise and Services to Federal Agencies

April 23, 2015 – Washington, DC – Barbaricum, a Washington, D.C.- based Service-Disabled, Veteran-Owned Small Business, has been awarded a Mission Oriented Business Integrated Services (MOBIS) schedule contract by the General Services Administration (GSA). The GSA MOBIS schedule provides existing and prospective Barbaricum government partners with an efficient platform for procurement of Barbaricum’s management and strategic consulting services.

“We are honored and excited to be awarded the MOBIS schedule,” said Brandon Bloodworth, managing partner for Barbaricum. “MOBIS will allow federal agencies to more readily capitalize on our proven professional services.”

Government agencies and other organizations using the GSA schedule for purchases may now contract for CSBA services through GSA Contract Number GS-10F-076CA, Schedule 874-1.
